

## The Orange County Ronald McDonald House Celebrates Its 10th Annual Tournament!

More than 10,000 families, roughly the population of a small California town, this is the number of families who have been helped by the Orange

County Ronald McDonald House since we opened in 1989. We look forward to continuing to provide a "home away from home" for families with seriously ill children being treated in nearby hospitals.

Your support enables us to help parents like Jim and Rebecca Best. Their daughter O'Neal was born healthy. But she soon began experiencing a failure to thrive and doctors were baffled as to the cause. Desperate for an answer, the Bests traveled out of state where a team of doctors finally diagnosed O'Neal. The family stayed at the Ronald McDonald House.

*"We felt that someone was caring for us while we and the medical team cared for our daughter. It helped us focus exclusively on O'Neal's health," said Rebecca Best. "The Ronald McDonald House saved our spirits."*

We have recently expanded our program to include two Ronald McDonald Family Rooms located inside of CHOC Children's in Orange, and CHOC Children's at Mission Hospital in Mission Viejo. Both Ronald McDonald Family Rooms provide a much needed oasis for families within the hectic hospital setting.

The Orange County Ronald McDonald House and Ronald McDonald Family Rooms stand as a place for families to find comfort during desperate times. Thank you for being our partner.
